

Pursuant to the Senate Order on departmental and agency contracts the following table sets out contracts entered into by FaHCSIA which provide for a consideration to the value of \$100,000 or more and which

Most of the agreements listed contain confidentiality provisions of a general nature that are designed to protect the confidential information of the parties that may be generated in carrying out the contract. Where these provisions apply confidentiality reasons have not been given.

Categories of Confidential Information

- a) Disclosure would reveal trade secrets which are judged to have the potential to cause detriment to the contractor;
- b) Disclosure would reveal the contractor's internal costing information or information about its profit margin;
- c) Disclosure would be contrary to the public interest;
- d) Disclosure would be contrary to statutory secrecy provisions; and
- e) Disclosure would be contrary to the Privacy Act 1988.
